

### From Sunday's Gospel

On his way to Jerusalem, Jesus went into a village. Ten men with leprosy, a terrible skin disease, stood a long way off. They shouted, 'Jesus! Master! Take pity on us.' Jesus said, 'Go and show yourselves to the priests as the Law teaches us.' As they went on their way they were all healed. But only one of the Ten, a Samaritan turned back praising God at the top of his voice and threw himself at the feet of Jesus and thanked him.

*For the weekday readings beginning Monday October 10th please go to **28th Week of Ordinary Time (Year 2)***

Pope Francis writes: "The heart that knows how to say 'Thank You' is a good heart. May we always say 'Thank You' to God and to one another!" Who do we find ourselves

saying 'Thank You' to most often? How do we feel when someone thanks us for something we have done? And, how do we feel when someone does not thank us? Remembering to say 'Thank You' to God regularly throughout the day helps love to grow. How will I show I am grateful to God and to others?

### Amoris Laetitia—The Joy of Love—Pope Francis

#### *Love endures all things*

*"Panta hypomenei.* This means that love bears every trial with a positive attitude. It stands firm in hostile surroundings. This "endurance" involves not only the ability to tolerate certain aggravations, but something greater, a constant readiness to confront any challenge. It is a love that never gives up, even in the darkest hour. In family life we need to cultivate that strength of love which can help us fight every evil threatening it. Love does not yield to resentment, scorn for others or the desire to hurt or gain some advantage. The Christian ideal, especially for families, is a love that never gives up. I am sometimes amazed to see men and women who have had to separate from their spouse for their own protection, yet, because of their enduring conjugal love, still try to help them, even by enlisting others, in their moment of illness, suffering or trial. Here too, we see love that never gives up.

(Paragraph 118-119)

***With this reflection Pope Francis concludes his own comments on St Paul's First Letter to the Corinthians Chapter 13 verses 4-7***
