

### From Sunday's Gospel

The night before he was crucified, Jesus and his disciples had gathered to celebrate the Passover meal together. And, as they were eating, he took some bread and, when he had said the blessing, he broke it and gave it to them. "Take it" he said, "This is my body." Then he took a cup and, when he had given thanks to God, he gave it to them, and all drank from it, and he said to them, "This is my blood, the blood of the covenant, which is to be poured out for many. I tell you solemnly, I shall not drink any more wine until the day I drink the new wine in the Kingdom of God."

**Pope Francis writes:**

**"We know well that with Jesus, life becomes richer and that with him it is easier to find meaning in everything."** Today's

word is 'Life'. Jesus is the Bread of Life. He wants to make our lives special and complete and he wants us to make life better for others as well. We share in Jesus' life in a special way when we come to Mass and he gives us all we need to make life better for others at home or in school. How am I going to try and make life a little better for someone this coming week?

wonderful social occasion as well as help to raise funds for the parish.

### The Body and Blood of Our Lord

This Weekend we celebrate the wonderful gift of Jesus himself under the forms of bread and wine in Holy Communion. It is an opportunity for us to think of how, when we come to Mass, we are nourished first of all by The Word of God, and then we are invited to receive Jesus truly present in the consecrated bread and wine. May we, as a parish, as families and as individuals grow in both our appreciation and gratitude for such a great gift, remembering that "We eat the Body of Christ to become the Body of Christ."

### Thought for the Week
