

From Sunday's Gospel

When Jesus had finished teaching by the lakeside he said to Simon Peter, "Sail out into deeper water and let down your nets." Peter replied, "Master we worked hard all night and caught nothing, but if you say so I will let down the nets." And when he and his companions had done this they netted such a huge number of fish that the nets began to tear and they filled their two boats to sinking point. Peter and his friend were amazed and he said to Jesus, "Leave me, Lord, I am a sinful man." But Jesus then said, "Do not be afraid from now on it is people you will catch." And they left everything and followed Jesus.

The Sunday Gospel through School on Wednesday

Pope Francis writes:

"Dear young people, to follow Jesus means to share his love for every human being." Today's word is **Follow.** When we

really know Jesus and how much he loves us, it is natural to want to follow him. In today's Gospel Jesus promised the fishermen that, if they followed him, they would bring home far more than fish. By following Jesus we too can help others to know and love God and find the happiness that comes from following him.

Family Faith Formation

The next meetings will take place after the 10.00am Mass THIS Sunday, February 10th. The catechists meet monthly to prepare these sessions, giving of their time freely and they really enjoy the children and young people turning up and taking part. I really do urge parents to make every effort to attend. I appreciate that there will be times when it is not possible because of a clash of dates, but I would hope that these sessions remain a real priority.

Racial Justice Sunday, Sunday 17th February 2019

It's not Just Work—Dignity for all workers

"In a world steeped in violence, conflict and discrimination, the Gospel demands that we acknowledge the dignity of the human person, the necessity of building peace, prosperity and justice for all. Pope St Paul VI wrote: *"all people have a right to work, to lead a worthy life on the material, social, cultural and*

spiritual level." In our task as disciples of Christ, our responsibility is to make sure people are treated with dignity at work and are not exploited. Migrant communities and those suffering from racial abuse are particularly vulnerable to being drawn into unjust working conditions and labour exploitation. Funds raised through the second collection on the weekend of 16th/17th February will be used for promoting justice in England and Wales."

With every blessing, +Paul McAleenan Lead Bishop on Migration and Asylum

Giver of life, who hears the cries from Yemen;
of mothers choosing between medicine or food,
of parents grieving children lost to starvation,
of those who have given up everything in hunger.
Hear our cries for hope, for change, for peace.

In your mercy, break political deadlocks,
soften hardened hearts,

change closed minds, open unhearing ears.

Let people come before power, let life become holy again.

Let your justice and peace shape the nation of Yemen
and the lives of all people.
