AMENDMENT TO CRIME AND POLICING BILL (NC17)

Sadley, this week, this Bill has been passed in parliament and is now part of our constitution. It gives a mother the ability to abort a child up to the date of birth with no prosecution. I am sure this will lead to the deaths of millions of more innocent children who have no voices but ours. How have we come to this? Shame on us.

Assisted Suicide Bill

Also, this Bill has been voted in by our moral and ethically lead MP's (NOT). I am exasperated at the lack of moral compass in our country.

God help us all.

Uppermill - RED BOXES New booklets at the back of church, please take one.

Raffle Prizes

We are looking for a number of raffle prizes for Danny's disco evening. Have you got a bottle or something that might make a good prize that you can donate?
